

Year of Induction – 2015

CATEGORY: Outstanding Performance in Breeding

KELVINHEAD KADNOOK CLYDE (Imp. UK) 'Monty' (Male)

(01/02/1990 -28/02/2002)

BREED: Labrador Retriever

Sire: Raughlin Roland of Kelvinhead (MO1) (UK)

Dam: Kelvinhead Camilla (UK)

Breeder – Mr. Ron Montgomery, Lanark, Perthshire, Scotland.

Owned by - Wayne & Late Jill Pohlke (Kadnook Kennels - Victoria)

CAREER HIGHLIGHTS

Monty was imported into Australia in June 1990 arriving in Quarantine on 7th June 1990 and home to Kadnook Kennels on the 7th August 1990.

Purchased as a stud dog 'Monty' had a major influence on the bloodlines of working Labradors in Australia.

Monty sired 11 litters for the Kadnook Kennels - a total of 74 pups.
He also sired:

A litter for **KAEMAJAE KENNELS** (Bill & Pat Loftus)

A litter for **LINDENLAKE KENNELS** (Joe & Mary Law)

Two litters for **Royal Dogs of Australia** and **Customs Australia**.

Many litters produced pups that competed in Retrieving Trials. Of the 74 pups, twelve worked in retrieving trials with all winning Retrieving Trial Stakes.

Mr. Wayne Pohlke

IN BRIEF

Monty's outstanding influence on the quality of performance in Retrieving Trials is manifestly evident by the results achieved by his progeny in both breadth and high order quality.
