IN BRIEF

Kaemajae Allblack, Blackie was the dog's pet name.

Blackie is the descendant of Champion dogs which were bred specifically for Retrieving Work. The dog's record in Retrieving Trials highlights Blackie's ability as a Retriever.

The dog's temperament was just as one would hope for when taking delivery of a new pup. As a family pet Blackie was one of the family and was as gentle with the family members as one would want especially when in the company of children.

As a Retriever I believe to date the dog is the highest earner of Championship points.

Blackie's strong points where most definitely his ability to handle water work especialy when coupled up with Blind Retrieves.

As Blackie's handler at Retrieving Trials at all times I felt comfortable with the dog's ability to do the job.

As owners of the dog my wife Jane and I have been absolutely gifted with Blackie and we are so proud and fortunate to have had Blackie as part of our lives.
