## **SPORTSMANSHIP IN JUNIOR HANDLERS**

Friendships in Junior Handler Competition can be established in many different ways. They can result from a simple talk at the side of the ring, or while waiting in the ring during a large class. Once you become friends with your fellow exhibitors, you will find that most of them have feelings and goals very similar to your own.

As these friendships develop, you may be able to assist one another in improving your skills. By helping one another, you establish a team effort that can greatly enhance your enjoyment of the sport. If it is not your day to win, you can take pleasure in the wins of your friends. When you are successful, they can take pleasure in yours.

Friendship can help bring the most important purpose of Junior Handler Competition back into focus – winning does not have to be the most important objective. This is a much healthier outlook.

## **AGE GROUP**

### **JUNIOR HANDLER DOG COMPETITIONS:**

- 7 years to under 10 years
- 10 years to under 13 years
- 13 years to under 19 years **(10/16)**

A Junior Handler competing in a State or National Final must be under 19 years of age on the first day of Crufts which is hosting the International Final. **(10/16)**

## **HEAT WINS**

There are limitations to the number of heats a Junior Handler may win and this is covered by State regulation.

Refer to your State Control Junior Handler Committee for clarification.

Dogs used in Junior Handlers must be ANKC main registered. **(10/11)**

All dogs handled must be over the age of 12 months.

Neutered dogs can compete in any handlers class. **(Added 10/14, 6.11)**

**NO BITCHES IN SEASON ARE PERMITTED IN ANY COMPETITIONS.**

## INTERPRETATIONS OF TERMINOLOGY (Explanation of Words)

<b>ANTI-CLOCKWISE</b>	the opposite direction to which the hands on a clock go around.
<b>CLOCKWISE</b>	the way in which the hands on a clock go around.
<b>COILED, COILING</b>	collecting the lead in your hand.
<b>CROWDING</b>	getting too close to other dogs and handlers.
<b>DOG EYE CONTACT</b>	allowing the dogs to look at each other.
<b>DOG'S BITE</b>	showing the dog's bite, both side views and front.
<b>FREE STAND</b>	allowing the dog to stand naturally, without touching the dog.
<b>FRONT MOVEMENT</b>	seeing the front view of the dog coming back to the Judge.
<b>LEAD DANGLING</b>	the end of the lead hanging loosely from the hand.
<b>LEFT ABOUT TURN</b>	the dog and handler turn anticlockwise and return on the same line.
<b>LINE UP</b>	a line up of dogs and handlers head to tail.
<b>LOOSE LEAD</b>	a lead which whilst not tight, still allows control of the dog.
<b>MIDDLE OF THE RING</b>	the mid-point between the Judge's position and the end of the ring, in front of the judge. <b>(10/16)</b>
<b>PRESENT DOG</b>	stacking or free standing the dog to its best advantage. <b>(10/16)</b>
<b>REAR MOVEMENT</b>	seeing the rear view of the dog going away from the Judge.
<b>RELAX YOUR DOG</b>	allowing the dog to take it easy and not to be in a stacked position.
<b>RING CRAFT</b>	the ability to show and handle a dog to its best advantage.
<b>SET UP / STACK</b>	placing the dog in the required body position for that breed.
<b>STANCE</b>	the overall look of the dog when it is standing still.
<b>TEAM WORK</b>	talking to the dog and working together as a team.
<b>TENSION ON LEAD</b>	pulling or dragging or a tight lead.
<b>USING FOOD</b>	baiting or rewarding the dog with food or treats whilst in the ring.

## **Sportsmanship Code of Conduct**

### **“SPORTSMANSHIP CODE OF CONDUCT” FOR ALL JUNIOR HANDLER EVENTS.**

**(Added 10/14, 6.11)**

By competing in a JH event, competitors and their parents/guardians and spectators agree to abide by a “Sportsmanship Code of Conduct.”

All competitors AND their parents/guardians and supporters when competing in a JH event are required to;

- Follow the rules and regulations of the ANKC and their State Controlling body.
- Show respect to fellow competitors, their parents, judges and club officials by accepting constructive criticism and the judge’s official decision as final, and by congratulating handlers who place above them.
- Never question the impartiality of any Junior Showmanship judge, nor contact judges prior or after JH events in a way that can be seen to be negative.
- Refrain from making negative comments on social media about any other handlers, their parents or a JH event.
- Welcome and encourage new handlers into junior showmanship.
- Judges must judge the handlers on their ability displayed on the day of competition and should not let anything else influence their decisions.

Any breaches of this code of conduct should be referred to their State Controlling body for disciplinary action.

## **Rules and Advice FOR JUNIOR HANDLERS**

- Dogs used for Junior Handler competitions must be ANKC main registered and in some States must be entered in the show. **(10/11)**
- Juniors must not take Bitches in season into any Junior Handler competitions.
- Never place yourself between your Dog and the Judge.
- Be clean and suitably dressed for the show ring. For instance, for girls it is not desirable to wear mini skirts in which you cannot bend over properly to set up your dog. Footwear should be suitable for moving around the ring. NO thongs, scuff type footwear allowed.
- Have a lead that is suitable and not too long as it will encourage you to fiddle with the lead.
- Make sure the lead is not too short to enable you to step around your dog comfortably without stepping over the back of your dog, as this will be penalised.
- Keep the lead coiled in your left hand. Never dangle or drop any part of it.
- Choose a dog carefully; make sure it is one that you feel comfortable with.
- All dogs must be over the age of **12 months** to compete in a Junior Handler competition.
- Exhibit number to be on your left-hand side where it can be clearly seen. Only wear one card.
- Get to know all about the breed of dog you are showing. E.g. what breed it is? How old is the dog you are handling,
- Listen to the Judge's instructions carefully. If unsure of the instruction, politely ask the Judge to repeat it.
- Learn how to show a dog's bite, both front and side views of the mouth, except breeds that do not have their bites examined. E.g. Griffon, Pug, Pekingese. If asked to show the bite on such a breed, politely advise the judge that "this breed does not have its bite examined."
- When returning to the Judge set up or free stand your dog as requested.
- Be sure not to set your dog up too early, as your dog may become unsettled. The best time to set your dog up for final placing is when the last dog is moving around the ring.
- When returning to your position, don't walk up the back of line of the handlers, as you will block the view of your dog from the Judge. It is advisable to bring your dog forward from the line and move to the position requested. If the Judge requests you to return to the line at the rear of the other handlers and dogs, take care not to crowd or upset the other dogs.
- If using food in the ring, make sure that the food does not interfere with any other dog or handler. Always pick up any food that you may drop.
- Handlers should be penalised for not picking up bait.
- Neutered dogs are able to compete in Junior Handler classes as long as they are registered with the ANKC
- If a Junior Handler is requested to do an exercise that is NOT in the manual then they can politely advise the judge that it is not a recognized exercise. **(Added 10/14, 6.11)**

## **RULES & ADVICE FOR JUDGES**

**“Never judge the dog, always judge the Handling”**

### **DOGS CANNOT BE SWAPPED BETWEEN ANY AGE GROUP IN A JUNIOR HANDLER'S COMPETITION HEAT BY JUDGES. ONLY IN A STATE OR NATIONAL FINAL**

- Always make sure there is a suitable table available for the younger age groups.
- Judges should give clear and concise instructions. Be specific, never try to confuse or trick the handlers.
- Handlers should show the dog's bite, both front and side views of the bite. Breeds such as Pugs, Pekingese and Griffon do not have their bites examined. The Junior Handler may politely advise the judge that this breed of dog does not have its bite examined.
- Never assume that because a dog is moving well or stands like a statue, it is being well handled.
- Make sure you are aware of the different ring exercises.  
They are: Out & Back, Triangle, Around the Ring, Out & Back Together with their dogs on the left hand side (show side), Out & Back together with their dogs Side by Side, “T” Exercise (for all age groups), Half Way Out and Show Your Dog and Around the Ring and Straight Out and Back. All of these exercises are outlined in this manual. **(10/16)**
- When asking for an Out and Back Together exercise, be specific in which of the two exercises you require. i.e. Out & Back Together with their dogs on the left-hand side (Show side) or Out & Back Together with their dogs Side by Side.  
  
Always bring the 2 handlers out from a line to you to do this exercise so when the handlers return with their dogs they turn their dogs head towards themselves (head to tail).
- A score sheet is provided for Judges wishing to score each handler. Use of this is optional. This may not be taken into the ring. It is a guideline only
- Ask what breed of dog it is? How old is the dog? Look for smooth handling and kind hands.
- Look for enjoyment whilst participating.
- When asking for a particular exercise, you should also ask the handler to either come back and free stand or set up their dog.
- Look for Teamwork.
- You should not self examine the bites of the dogs; this is a test for the handlers.
- You should not examine dogs.
- A Judge who has judged a Junior Handler competition shall not judge the same age group within 90 days or 100 km by the shortest road. Specialty and Semi-Specialist shows are exempt.

## **HANDLERS SHOULD BE PENALISED FOR:**

- Getting in between the Judge and their dog.
- Not following Judge's instructions.
- Not clearly exhibiting their number.
- Dangling any part of their lead, or dropping the lead.
- Not knowing the breed of dog being shown.
- Rough handling of the dog.
- Having lead too tight, making it uncomfortable for the dog.
- Moving the dog incorrectly for the breed being handled.
- Not standing the dog the correct way for that breed.
- Walking up the back of a line of handlers when leaving and returning to a position.
- Lack of control of the dog at all times.
- Stepping over the dogs back.
- Not picking up bait.

## GUIDELINES FOR JUNIOR HANDLERS ENTERING THE RING

- Look before entering the ring to see where the Judge is standing.
- Listen to either the steward or the Judge as to where they want you to go.
- Make sure not to crowd the handler in front, leave plenty of space between each handler and dog and enough room for the Judge to walk between.
- Always keep an eye on the Judge, so you never walk between your dog and the Judge
- Have your dog on show at all times unless instructed to relax your dog.
- Move towards the rear of the dog as the Judge comes to its front by giving a command, if need be, to steady your dog. Move towards the front of the dog's head as the Judge approaches the rear end again give a command to steady the dog if need be.
- When walking towards the rear of your dog, never step over the dog's back. Progress slowly step by step and, if need be, give the dog a command to stand steady.
- As the last dog moves around have your dog set up for the Judge to view.

## SETTING DOGS UP HEAD TO TAIL

## SETTING UP A DOG

You are required to set up any breed of dog in exactly the same manner as it would be presented in the show ring. Junior Handlers should set up their dogs Head to Tail at ALL times. This should be done as quickly and efficiently as possible. **(10/16)**

Sometimes there are only a few seconds before the Judge will be ready to look at your dog.

During a line-up you should present your dog in one of the following ways, depending on the breed. The front and rear feet should be set up in accordance to the breed being shown. **(10/11)**

***Diagram 1: Handler standing beside the dog***

## SETTING UP OF A DOG- FRONT AND REAR VIEWS

*Diagram 2: Front and rear views*

Front view of Dog

Rear view of Dog

## HEAD

The dog's head is held in a natural position. The breed standard will indicate high or low lead position

## HOLDING OF DOG'S TAIL

Holding of the tail position according to the breed

**Diagram 6: Handler holding dog's tail.**

**Diagram 7: Holding a Natural Tail for breeds that have their tails held.**

## TABLED DOGS

Place the dog safely towards the front end of the table as shown in the diagram below. Be careful that the dog is not placed too close to the edge to avoid falling and causing serious injury.

Do not place your lead around your neck. You must have full control of your dog at all times and keep the lead coiled in your hand.

**Note:** The lead is held in the hand for your safety and the security of the dog.

*Diagram 8: Stance*

## SHOWING DOG'S BITE, ALL VIEWS

Place a hand underneath the dog's chin to steady the dog's head.

Lift the dog's lip to show the bite with the teeth together and never use force, as this will upset the dog. Also move your hand around to lift the dog's lip to show both side views of teeth.

Breeds such as Pugs, Pekingese and Griffon do not have their bites examined and Junior Handlers should politely advise the judge that the breed does not have its bite examined.

**Note:** Be sure that all views of the bite are gently presented to the Judge.

*Diagram 9: Example of showing bite with one hand*

*Diagram 10: Example of showing bite with two hands*

# OUT & BACK

## All Ages - All Competitions

### Aim of Exercise

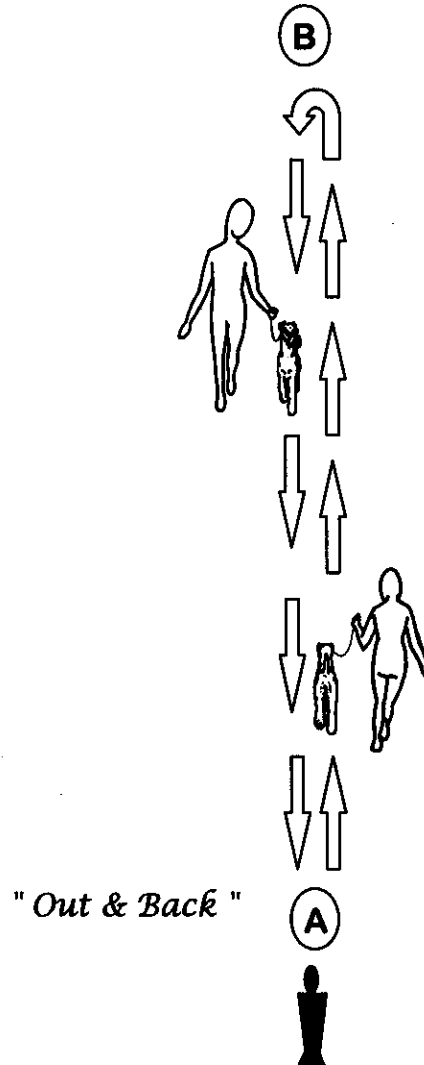

This is used to enable the Judge to see the dog's rear movement when going away and to see the front movement when coming back.

Observe the starting point of the Judge before commencing to enable you to come back straight to the Judge's position.

Position your dog in front of the Judge, line an object up in front so you are moving in a straight line.

The dog must be moved along the Judge's line of vision and returned with a left about turn along the same line.

Never place yourself between the Judge and your Dog. Go out from point (A) to point (B), and then return on same line from point (B) to point (A) stopping approx 2 metres (6ft) away from the Judge and presenting dog as per Judge's instructions.

**Note:** At NO time should you touch the dog's head on the corner of the exercise.

Do not over use your lead, keep it coiled up in your left hand. DO NOT have any part of the lead dangling.

Always watch the ring and as the last dog moves, have your dog "set up" ready for the Judge to view.

## THE TRIANGLE

### All Ages - All Competitions

#### Aim of Exercise

This is used to enable the Judge to see the rear, side and front views of the dog.

Observe the starting point of the Judge before you commence. The Judge should not find it necessary to move position to obtain the correct view of the dog. The triangle should not be so wide as to be outside the Judge's line of vision, nor too narrow because the side view would be short. Aim for an equilateral triangle (all three sides' similar length).

Never place yourself between the Judge and your dog.

Position your dog in front of the Judge. Go from point (A) to point (B) and then from (B) to (C). This should cross the Judge's line of vision. Bring dog back from (C) to (A) stopping approx 2 metres (6ft) away from the Judge and present dog as per Judge's instructions. (Line your objects up before leaving so you can go to each point to form a triangle before starting.)

"The Triangle"

**Note:** At NO time should you touch the dog's head on the corner of the exercise.

Do not over use your lead, keep it coiled up in your left hand. DO NOT have any part of the lead dangling.

Always watch the ring and as the last dog moves, have your dog "set up" ready for the Judge to view.

## AROUND THE RING

### Around The Ring and Come Back To Me (10/11)

This pattern is to see the handler's control of the dog and the ring craft of the handler. The handler should use the whole ring unless instructed by the Judge.

Always keep the dog moving at a correct pace according to the size and breed of dog.

The handler is required to leave from the judge and go around then return to the judge stopping approximately 2 meters (6 feet) from the Judge and present the dog as per the judge's instructions.

### Around The Ring - More Than One Handler (10/11)

This pattern is to see the handler's control of the dog and the ring craft of the handlers. Handlers should use the whole ring unless instructed by the Judge.

Always keep the dog moving at a correct pace according to the size and breed of dog.

Present the dogs as per Judge's instructions.

## OUT AND BACK TOGETHER WITH DOGS ON THE LEFT HAND SIDE (Show Side) (All Age Groups)

### Aim of Exercise

This is to enable the Judge to see two dogs' rear and front movement together and to see the co-ordination of the handlers handling the breed of dog being shown.

Both handlers have their dogs on their left-hand side to avoid dog eye contact with each other. Going out and back from the Judge, both handlers should do a left about turn together and return to the Judge together, still with the dog on the left hand side stopping approx. 2 metres (6ft) away from the Judge.

When the handlers return with their dogs, they turn their dogs head towards themselves side on to the judge. **(Amended 10/14, 6.11)**

The Judge will be judging your ability to keep your dog under control when it is close to another dog, as well as your ability to pace yourself to another handler's gait.

It is a challenge to you as a handler to keep your dog moving smoothly and in unison. The handler of the smaller dog should set the pace. The handler of the large dog may have to move the dog at a walking pace to keep the two dogs together.

**Note:** At NO time should you touch the dog's head on the corner of the exercise.

Do not over use your lead, keep it coiled up in your left hand. DO NOT have any part of the lead dangling.

Always watch the ring and as the last two dogs move, have your dog "set up" ready for the Judge to view.

*" Out & Back Together "*

## OUT AND BACK TOGETHER WITH THE DOGS SIDE BY SIDE (All Age Groups)

### Aim of Exercise

This is another way for the Judge to see two dogs' rear and front movement together and to see the co-ordination of the handlers, handling the breed of dog being shown.

In this exercise the 2 dogs will go Side-by-Side and the handlers on the outside going out and back together.

The Judge will be judging your ability to keep your dog under control when it is close to another dog, as well as your ability to pace yourself to another handler's gait.

In this exercise, both handlers move in the out and back pattern with both the dogs moving on the inside of the handlers. Each handler will change the lead at the top of the out and back so that both the dogs remain together on the inside and the handlers remain on the outside. Each handler turns their dogs head towards themselves rather than the other dog. This will prevent the two dogs from making eye contact.

When the handlers return with their dogs, they turn their dogs head towards themselves side on to the judge stopping approximately 2 metres (6 ft) away from the judge.

The handler will move their dogs smoothly and in unison. The handler of the smaller dog should set the pace. The handler of the large dog may have to move at a walking pace to keep the two dogs together.

**Note:** At NO time should you touch the dog's head on the corner of the exercise.

Do not over use your lead, keep it coiled up in your left hand. DO NOT have any part of the lead dangling.

Always watch the ring and as the last two dogs move, have your dog "set up" ready for the Judge to view.

## “T” EXERCISE (All Age Groups)

### Aim of Exercise

This is used to enable the Judge to see the rear, both sides and front movement of the dogs. The Handler should never place themselves between the Judge and their dog.

Observe starting point of the Judge before you commence and also observe point of directions to go to. (A) to (B), (B) to (C), (C) to (D), (D) to (B) and then (B) back to (A).

Position your dog in front of the Judge. Use a long distance of the ring going from (A) to (B), then turn left from (B) to (C) to side of the ring. Steps taken by the handler from (C) to (D) should be twice the amount of steps taken from (B) to (C).

Turn the dog's head away from handler towards Judge (anti-clockwise) and change the lead into your right hand on point (C). Bring the dog back to point (D), turn the dog's head away from handler and towards the Judge (clockwise) and change the lead back into the left hand to come back to point (B). Return the dog down from point (B) to point (A) stopping approx 2 metres (6ft) away from the Judge and presenting the dog as per the Judge's instructions.

**Note:** At NO time should you touch the dog's head on the corner of the exercise.

Do not over use your lead, keep it coiled up in your left hand. DO NOT have any part of the lead dangling.

Always watch the ring and as the last dog moves, have your dog "set up" ready for the Judge to view.

## **Half Way Out and Show Your Dog**

**(Added 10/14, 6.11)**

**(All Age Groups)**

The handler is to go half way out and present your dog by either free standing or setting it up as per the judges request. Once completed you must either move back to the judge or to the end of the line as per the judge's instruction.

This enables the judge to make an individual assessment of the handler's skills

The purpose of this exercise is for the handler to demonstrate how smoothly and efficiently you can either free stand or stack your dog with them watching you closely.

### **Aim of Exercise (10/16)**

The purpose of this exercise is to allow the Handler to demonstrate how smoothly and efficiently they can either free stand or stack their dog with the Judge watching them closely. This enables the Judge to make an individual assessment of the handler's skills by observing their movements from start to finish.

The handler is to go half way out to the middle of the ring and present your dog in front of the Judge. Handlers may do so by either free standing or setting it up as per the Judge's request. Once completed you must either move directly back to the Judge or to the end of the line as per the Judge's instruction.

### **Note:**

Handlers should move to the half way out position in the most direct means possible without getting between the dog and the Judge.

Make eye contact with the Judge to signal you have finished presenting your dog and await the Judge's indication to either return to your starting position, or to go around to the end of the line.

## **Around the Ring and Straight Out and Back**

**(Added 10/14, 6.11)**

**(All Age Groups)**

The judge will ask the handler to go around the ring and then straight out and back in the one exercise.

The purpose of this exercise is for the handler to demonstrate their ability and control of the dog and ringcraft of the handler. The handler must always ensure that they move their exhibit at the correct pace for both side gait and front and rear movement. The handler must use the whole ring unless instructed otherwise by the judge.

This exercise is to be completed in one fluid movement without stopping.

At the conclusion of the out and back the handler must return to the judge stopping approximately 2 meters (6 feet) from the Judge and present the dog as per the judge's instructions.

### **Aim of Exercise (10/16)**

The purpose of this exercise is for the Handler to demonstrate their control of the dog and ability to show teamwork and smoothness in their movements.

The Judge will ask the Handler to go Around the Ring and then straight into an Out and Back. This exercise is to be completed in one fluid movement without stopping.

During the transition from the Around the Ring into the Out and Back, the Handler must be careful to not get between the dog and the Judge. The Handler will need to move from the outside to the inside of the Circle when approximately 2 metres (6 ft) away from the judge and step in front of the judge, before correctly positioning themselves on the right-hand-side of the dog to commence the Out and Back.

The Handler must always ensure that they move their exhibit at the correct pace for both side gait and front and rear movement. The Handler must use the whole ring as appropriate for the size of their dog, unless instructed otherwise by the Judge.

At the conclusion of the Out and Back the handler must return to the Judge stopping approximately 2 meters (6 ft) away from the Judge and presenting the dog as per the Judge's instructions.

### **Note:**

In order to complete the transition efficiently, you will need to change the lead from the left to the right hand. The lead must return to the left hand before beginning the Out and Back.

At NO time should you touch the dog's head on the turns and lead changes of the exercise.

The Handler should NOT go behind the Judge to complete the transition from Around the Ring to the Out and Back.

## ANKC JUNIOR HANDLER JUDGES SCORE SHEET

## ANKC Ltd Regulations: Part 15 A & B

### Junior Handler Competition

These regulations and definitions apply to all Junior Handler Competitions and competitions included in the Definitions.

#### Part A - Definitions.

In these regulations, so far as the context permits or the subject matter otherwise indicates or requires;

1. **“Junior Handler Manual”** means the ANKC Junior Handler Manual, which is current at the time of a competition.
2. **“Judge/Junior Handler Judge”** means an approved Junior Handler Judge, who is listed as such on the ANKC judges list.
3. **“Junior Handler Open Book Examination”** means an examination conducted by a Controlling Body for persons who wish to obtain their Junior Handler Judges Licence.
4. **“Junior Handler”** means a minor who is over the age of 7 years and under the age of 19 years and competes in a competition. **(Amended 10/16)**
5. **“Competition” “Junior Handler Competition”** includes a competition, heat or event for junior handlers which is conducted at a recognized ANKC affiliated show.
6. **“State”** includes any state or Territory within Australia.
7. **“Field Day”** means a Junior Handler training event organized by a Committee or Person nominated by a controlling Body to oversee Junior Handler events.
8. **“Affiliated Club”** means a Club or Association, which is affiliated with an ANKC Affiliate or a Controlling Body.
9. **“State Junior Handler Final Winner”** means the winner of the final heat
10. **“Year”** means a twelve-month period during which a competition for a State Junior Handler is conducted under the auspices of a Controlling Body. For the purposes of these Regulations a year will commence on 1<sup>st</sup> July in any year unless a different commencement date is nominated by the Controlling Body conducting the competition.
11. **“State Controlling Body”, “Controlling Body” and “ANKC Affiliate”** means an affiliate of ANKC.
12. **“ANKC”** means the Australian National Kennel Council.

**PART B - REGULATIONS.**

1. The Judge of a competition must be registered on the accredited Junior Handler Judges list maintained by the ANKC.
  - 1.1 (i) Breed Judges and other Members of a Controlling Body, who wish to qualify to judge a competition, will be required to complete a written open book exam on the information contained in the "Junior Handler Manual". The ANKC Junior Handler Committee shall prepare a National Open Book Examination. The pass mark for the exam shall be 75% and persons who achieve a pass, shall be eligible to be registered on the ANKC Junior Judges Handler List of accredited Junior Handler Judges.
  - 1.1 (ii) A list of all Junior Handler Judges appointed by individual States to be listed on the ANKC web site and made available to all States.
  - 1.2 A Junior Handler Judge may judge Junior Handler Competitions in any State. However, they are required to familiarise themselves with any changes to the Junior Handler age groups applicable to that State.
  - 1.3 A Junior Handler Judge shall, in every consecutive three-year period commencing from the date of becoming accredited, attend a Junior Handler field day to demonstrate their commitment to the sport. Field days shall be conducted by the committee, working party or person nominated by the Controlling Body in a judge's state of residence.
  - 1.4 Judges visiting Australia from other affiliated countries be permitted to judge Junior Handler competitions provided they are licensed in their own country. The State Junior Handler Committee must confirm their status.
2. Controlling Bodies shall each appoint a committee, working party or person to oversee all the activities of and associated with Junior Handler Competitions conducted in their State
  - 2.1 Controlling Bodies shall ensure that, if there are any major changes to the Junior Handler Manual from time to time, a further open book examination shall be completed by Junior Handler judges within a period of 6 months from their publication.
3. A Junior Handler Competition at a Show shall be subject to 6 below, contain the following age classes: -
  - 7 years to under 10 years - for boys and girls
  - 10 years to under 13 years - for boys and girls;
  - 13 years to under 19 years - for boys and girls **(Amended 10/16)**
4. It shall be a condition of all competitions that Junior Handler Judges must make their awards strictly in accordance with the requirements of the ANKC Junior Handlers' Manual.
5. Junior Handler Judges may use the Score Sheet provided in the Junior Handlers' Manual, however it is not mandatory, The score Sheet is to be used as a guideline only and may NOT be taken into the ring.
6. A Controlling Body shall have the right to select different age groups for competitions; however, it is recommended that all States maintain the age groups set out in 3.

7. An Affiliated Club, other than a Breed or Group Specialist Club, must conduct a Junior Handler Competition at one of its shows in each calendar year.
  - 7.1 Where an Affiliated Club conducts more than one show over a weekend the Junior Handler Competition must not be conducted on a regular school day and must be conducted on the weekend or days proclaimed a school holiday unless out of school hours.
  - 7.2 Where a Junior Handler Competition is to be held by an Affiliated Club, the competition must be advertised in the official schedule lodged with the controlling Body in respect of the show.
  - 7.3 Entry fees may not be charged in respect of Junior Handler competitions.
8. A judge who has judged a Class in Junior Handler competition at a Show, must not Judge the same age group in a competition at any subsequent show during the succeeding 90 days, held at any venue which is within a distance, of 100 kilometres by the shortest route from the earlier show.
  - 8.1 Regulation 8 shall not apply to competitions conducted at Breed Specialty Shows.
  - 8.2 A judge may judge any one or more age groups in a Competition where time and entry numbers reasonably permit.
9. Each State shall conduct a State Junior Handler Final competition for the purpose of selecting an overall State winner for the year.
  - 9.1 Subject to 9.3 below, the final competition shall consist of a heat for each of the age group winners in each State since the commencement of that States qualifying year. A Junior Handler whose age group changes due to a birthday before their State Final, must then be elevated to compete in their corrected age group.
  - 9.2 The winners of each of the said heats shall be entitled to contest a final heat and the winner thereof shall be the State Junior Handler Winner for the year.
  - 9.3 A Junior Handler who wins a Junior Handler heat in a State other than their State of residence, shall be entitled to compete in the State Junior Handler Final competition conducted by their State of residence provided that evidence of their win is submitted to the Controlling Body thereof.
  - 9.4 A NATIONAL Junior Handler Final cannot be held in any State on a regular school day or a State Public Holiday unless it is a proclaimed a NATIONAL Public Holiday
  - 9.5 A NATIONAL Final must be held before the end of November
  - 9.6 A STATE Junior Handler Final cannot be held on a regular school day unless it is proclaimed a State Public Holiday
  - 9.7 Before any member can apply to become an Accredited Junior Handler Judge, they must have been a member of a State Controlling Body for 5 years and reached the age of 18 years and either hold their own membership or be under a Parent/Guardian Membership. **(10/11)**
  - 9.8 That ALL paperwork/documentation must be NATIONAL and approved by the ANKC Junior Handler Committee
  - 9.9 Age Group – That a State Heat winner competing in a STATE or NATIONAL FINAL MUST BE under the age of 19 years of age on the day of the International Junior Handler Competition. **(Amended 10/16)**
  - 9.10 Every Junior Handler State winner must complete and sign the binding code of conduct form prior to the National Final. **(Added 07/15)** [Refer Addendum 1 to these regulations for a copy of the ANKC Ltd Junior Handler National Finalist Agreement form].

- 10.0 A child who has won a Junior Handlers Heat and moved to a new State is able to take his or her qualification to their new residing state to compete in the state Final. He or she is NOT able to then go back to the original state to compete. **(Added 10/14, 6.11)**

The state must get an email from the parents or carers confirming that the child is now a resident of your state. **(Added 10/14, 6.11)**

- 10.1 The National Winner is to claim their prize in accordance with ANKC instruction. Travel and / or accommodation must be booked through a travel agent identified by the ANKC and said bookings must be authorised / approved by the ANKC prior to payment. **(Added 10/14, 6.11)**

## ANKC Ltd Junior Handler National Finalist Agreement

It is a requirement that all Junior Handlers that compete in a National Final read the following document and sign below prior to competing.

The Australian National Kennel Council congratulates you on representing your State in the Australian Junior Handler National Final. In Australia we are extremely proud of our Junior Handlers and our reputation as a nation of good sports. In every level of Junior Handling and representing your country it is expected that you will maintain the principles of fairness, respect, responsibility and safety.

### Fairness

You will demonstrate fairness by:

- Operating within the spirit of the rules and making informed and honourable decisions at all times
- Showing respect at all times
- Recognising the contribution that people make and have made to allow you to achieve your dream.

### Responsibility

You will demonstrate responsibility by:

- Taking responsibility for your own actions
- Being a positive role model at all times.

### Safety

You will demonstrate safety by:

- Encouraging healthy and safe procedures
- Preventing and reporting dangerous behaviour while demonstrating concern for others.

All Junior Handlers and their chaperone must: -

- Be a member of their State Controlling Body
- Follow the Rules and Regulations of both their State Controlling Body and the ANKC
- Respect the rights, dignity and worth of others, regardless of their ability, gender, ethnicity, cultural background or religion
- Be ethical, considerate, fair and honest in all dealings with other people and organisations
- Be a positive role model
- Never argue with an official, and should any problems arise speak to the coordinator to solve any disputes
- Control your temper. Verbal or physical abuse is NOT acceptable
- Be a good sport and applaud all competitors
- Work with the travel consultant chosen by the ANKC to organise flights and travel details. This must be done within one week of winning the National final
- It is imperative that the parent or chaperone must encourage the handler to participate to the best of their ability. They must never abuse, yell or ridicule the handler for making a mistake or performing below expectations
- The parent or chaperone must be a good example to all competitors and congratulate all participants
- The ANKC Junior Handler Coordinator must be included in all correspondence with the Crufts committee
- Under no circumstances can any part of any prize awarded to the winner be sold to any party.

**Failure to adhere to the above conditions will result in the National Junior Handler automatically being disqualified.**

**Shellie Marshall**  
**ANKC Ltd Junior Handler Committee Chairperson**  
**Australian Coordinator of Crufts International Final**  
**On behalf of the ANKC**
