- **Runner up in his first National UFT Championship as a two year old.**
- **Placings in State UFT Championships 2001 2002**
- **Multiple winner in Open Utility Field Trials**

IN BRIEF

“Gus was a gifted, hard driving dominant game finder with exquisite nose and game sense. He was hunted extensively and trialled sparingly because of distance and lack of opportunity.

His versatility was exemplified by his National wins occurring outside his home state of Queensland. He exhibited remarkable flexibility in adapting to different cover and conditions across the nation in locating and handling local game – fur, brown quail and stubble quail with stylish intensity.

Won his first Open Field trail at 17 months (the first trial he was entered in).

Awarded several CMs during his campaigning as a result of the quality of his work.”

Elio Colasimone .
